Now Accepting Counselor Applications for Summer Fox River Exploration Camps!

Do you like working with kids?

Do you have summer camp counselor experience?

Do you love camp?

Do you enjoy the outdoors?

If you answered yes to any of these questions the Fox River Environmental Education Alliance and the UW Extension 4-H program have an amazing opportunity for you this summer!

Various day camp sessions will be offered throughout the summer based on three themes: Invasive Species, Water Resources, and Urban Wildlife. Age groups for camps include grades 1-3, grades 4-5, and grades 6-8. There will also be an overnight camp offered for grades 6-9. Dates of camps can be found on the website below, and counselors need not attend all dates.

**Qualifications:**

- At least 15 years old as of June 1, 2015
- Previous camp counselor experience or other experience working with younger kids
- Enjoy working with kids and being outdoors
- A background in environmental science is desirable, but not required
- Adults 18 years and older must complete the 4-H Youth Protection process which includes a background check.

Lead Counselors (at least 18 years old) will receive a wage of $7 per hour. Counselors-in-training (at least 15 years old) will receive a wage of $5.90 per hour. A meal is included each day. A pay package that includes room and board is available.
