- Grades 3-5
- Grades 6-8
- Grades 9-13

Categories will include:
- Person (portraiture)
- Place (environment)
- Thing (still life)

Rules:
- All photos must be taken by the exhibitor during the current project year.
- All photos must be either 5"x7" or 8"x10" and individually mounted with rubber cement or double-sided tape on white poster board, not to exceed 10" x 12". No matting, decorating posters, or captions, please. The photographers name should be written on the back of the poster board.
- Photos will be judged based on use of composition guidelines (ie getting close, simple background, rule of thirds, framing, leading line) and use of good design principles (ie patterns, lines, shapes, texture, color).
- Participants can enter up to two photos in each category.
- Some minimum corrective computer editing of digital photos – cropping, color, or white balance improvement, sharpening – to improve composition and quality is encouraged.
- Each photo entry needs to be registered online by July 20 at http://goo.gl/forms/eOonCq4dFS.
- All photo entries must be submitted by Thursday, July 23, at 6:00 pm. Entries can be submitted in advance by dropping them off at the UW-Extension office in Chilton, 8:00 am - 4:30 pm.
- A 4-H Photography leader will judge the entries. 4-H members will also have a chance to judge the photos, between 6:30-7:00 pm. Ribbons will be awarded. The judge will talk with participants and award ribbons starting at approximately 7:00 pm, depending on the number of entries.
